Join Core Clinical Partners at Tift Regional Medical Center (TRMC) and be part of a new chapter in healthcare excellence! TRMC, a 181-bed regional referral center, offers top-tier services in surgery, cardiovascular care, oncology, and more. The state-of-the-art inpatient tower and newly renovated emergency department, unveiled in December 2021, enhances patient care with its modern design and optimized flow. TRMC is the flagship hospital in Southwell's growing network in South Central Georgia.
